RESELLER PROGRAM

DEFINITIONS

Reseller – An organization or person. Has at least 3 active customers with Hensel Hosting. The reseller will only have one invoiceaddress for all hostingpackages that he (re)sells and he will charge his customers for the services he (re)sells.

Package – One of the following hostingpackages as offered by Hensel Hosting: Park Plus, Personal, Professional, Small Business. Registrations, Forward IP, Forward URL with/without e-mail and top level domain-surcharges are excluded from the Resellerdiscount.

RESELLER PROGRAM

In the Hensel Hosting Reseller program u sell Hensel Hosting products to your customers. The Reseller gets 30% discount on the regular salesprices of each package, year after year! This discount may not apply with special offers or deals.

The Reseller takes care of answering questions of his own clients and will to a lesser extent contact Hensel Hosting for questions as the reseller has knowledge of what he resells.

SIGNATURE

To receive the discount, the Reseller declares to intent that within 12 months following signing this document, he will have at least 3 customers under his account. If this is not the case, the discount is cancelled and is paid back to Hensel Hosting by the Reseller. The Reseller will then enjoy discount when he first complies with the conditions. The general terms of Hensel Hosting apply to this document. You can find them on our website and if requested we can send it to you. Signing this document means that you agree to this document and the mentioned general terms.
